OFFICE OF THE DEPUTY COMMISSIONER,
HASSAN DISTRICT.

No.F3.P.R.So/47-48 DATED, HASSAN THE 6TH NOVEMBER 1947.

From

The Deputy Commissioner,
Hassan District.

To

The Director of Food Supplies in Mysore,
Bangalore.

Sir,

Subject: Appointment of Additional Watchmen to Central Reserve Depot, Hassan.

I have the honour to state that several kinds of foodgrains are being received here from both outside and within the District and these are being stocked in the Central Reserve Depot, Hassan and distribution is also being made through this Central Reserve Depot Hassan, to all the taluks in the District and Sales Depots in Hassan Town. There are 4 godowns attached to Central Reserve Depot, Hassan which are located in different places in Hassan Town. At present, there are only two Watchmen in the permanent establishment of the Central Reserve Depot and these two watchmen cannot keep vigilant watch over all the four godowns. There have been some cases of theft reported in these godowns and hence two more watchmen are absolutely necessary till the Nissen Sheds under construction are occupied by the Food Department. The construction of the Twin Nissen Sheds at Hassan Railway yard is almost complete except for flooring work which is being delayed for want of cement. I have requested the Executive Engineer, Hassan Division, Hassan, to complete the work early and hand the sheds over to this Department for storing foodgrains. I, therefore, request that sanction of Government may kindly be obtained for the appointment of two additional watchmen till the sheds are made available.

The matter may kindly be treated as very urgent.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District.
